Jädraås NYARE KARTA med vindkraftverk inlagda

This topographic map illustrates a proposed wind power corridor in the Jädraås region of Sweden. A red dashed line traces the path from Jädraås in the north, through Gammelbo, Ulltorp, and back to Kungsberg in the south. The map shows the terrain with green contour lines, blue water bodies, and brown areas representing forests or cleared land. Key locations labeled include Jädraås, Gammelbo, Ulltorp, and Kungsberg. The title 'NYARE KARTA med vindkraftverk inlagda' is prominently displayed at the top.
